

the fact that the *Journal of Applied Behavior Analysis* is the most widely read journal in the field of behavior analysis, and that the *Journal of Experimental and Applied Behavior Analysis* is the second most widely read journal in the field of behavior analysis.

It is important to note that the *Journal of Applied Behavior Analysis* is the only journal in the field of behavior analysis that is published by a non-profit organization, the Association for Behavior Analysis International (ABAI). The ABAI is a non-profit organization that is dedicated to the advancement of behavior analysis and the welfare of the community. The ABAI is the largest and most influential organization in the field of behavior analysis.
